ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This order resolves Defendant's request at Dkt. 141 that the Court compel Plaintiff to produce all Learmont-Forbes text messages without redaction, or, in the alternative, perform an in camera review. The request is granted in part and denied in part. Plaintiff need not produce Learmont-Forbes communications that reveal communications with counsel seeking or in furtherance of legal advice (regardless whether that advice was sought by Learmont or Forbes) or providing legal advice from counsel to Learmont or Forbes. Plaintiff must produce, however, all other Learmont-Forbes communications to the extent not already produced.

SO ORDERED.
